LYNNE MOONEY TETA
Head Master

Happy Thanksgiving to the members of the Boston Latin School and English High School communities!

Thanksgiving season is that wonderful time of year when we welcome home family and friends to give thanks for the opportunities life has afforded us. One of our favorite Thanksgiving traditions is the Latin vs. English football game, now in its 124th year. Since 1886, students, families, faculty and alumni have come together to support their schools and celebrate this wonderful reunion.

I extend warm Thanksgiving wishes to Head Master Sito Narcisse and the entire English High School community as we continue this historic rivalry with today's athletic contest. The Gridiron Classic brings out the best in both schools, and we look forward to a game played with good sportsmanship and spirit!

I would like to give thanks to the faculty, students, coaches, families and alumni who support our great traditions of Boston Latin School. Today we showcase the football team, the cheerleading squad, the step squad and the football band – all made up of faculty and students who commit their time and energy to wearing the Purple and White with a great deal of school pride!

Go Wolfpack! Happy Thanksgiving!

LATIN FIGHT SONG

On the Field of Many Colors
Latin's banners fly
Cheer on,
  cheer like volley thunder
Echoes to the sky
See the Latin team advancing
Gaining more and more
So we'll fight, fight, fight
With all our might
Dear Old Latin evermore.

Congrats to Kevin #62

We are proud of your commitment and dedication to the Wolfpack Football Team.

Have a great Thanksgiving Day Game!

Love, Mom, Dad and Amy

ENGLISH HIGH SCHOOL
HEADMASTER NARCISSE
LETTER 2010

Christmas Day HAS to fall on December 25th, Independence Day HAS to fall on July 4th, and the greatest of the traditional high school football rivalries HAVE to be renewed every year on Thanksgiving Day, starting at 10:00AM. So, if you are sitting in the stands reading this message on the morning of November 25th, you are in the right place at the right time for the right event. You are about to witness another episode in one of the oldest and most vigorously contested high school football rivalries in America. It goes back more than a hundred years-long before statisticians were recording blocked punts and third down conversions. It was a game for spectators, players, and coaches back then-for glory and bragging rights. Almost everything at Latin and at English has changed over the years in some ways, but not The Game.

A season's success is riding on the outcome of today's contest. If a team enters the game undefeated but loses the Thanksgiving Game, the season loses its luster. If a team enters winless but manages to prevail for this one shining hour, the season is a success. "We beat Latin my senior year. I'll never forget that!" Or maybe, "Murphy blocked an English punt, Flynn recovered it in the end zone and we won 7 to 6."

This is the day where The Tradition – The Rivalry – and The Memories continue. Enjoy the oldest public high school game on of the oldest college football fields in the Nation.

Enjoy the Boston English and Latin Game and Happy Thanksgiving!

Sito Narcisse, Ed.D.
